

Muad'Dib's latest hard-hitting documentary about the innumerable crimes of the Ashke-Nazi Banksters.

From their historical origins down to their planned genocidal future, Muad'Dib tracks who THEY\* are, how THEY operate, and most importantly, how to get rid of them once and for all.

It is time for millions of us, to take full responsibility for our actions & circumstances, unite and peacefully gather at the Houses of Parliament in London, England - on the 5th of November 2012 - to support Muad'Dib in declaring a Year of Jubilee, to cancel all debts and end the corruption and treason, making this a day that present and future generations will never forget.

After being wrongfully arrested and falsely and maliciously imprisoned for making His "7/7 Ripple Effect" film and defending innocent people, Muad'Dib is back with no mercy for those who've shown none to others.

Cutting to the root of the problem, with the only solution. Come and be part of it.
